To Whom It May Concern:

I am writing this letter to let you know how excited I was to have my 504 inspection done by Meeting the Challenge. Randy Dipner performed the inspection and was so helpful. He had time to answer any questions that I had and he was so good at explaining things to me. He had a lot of patience and I really appreciated that. This was my first 504 inspection and it was not painful at all.

Sincerely,

Cindy Hull  
Executive Director
